

## What We Offer Candidates

### THE RIGHT POSITION

We listen to you. We believe in listening to our candidates to find out what they want and matching them with the position that’s right for them.

### ADVICE AND CONSULTATION

We’ll guide you. Job searching can be tough, that’s why our expereinced recruiting team will lend a helping hand - whether it be advising you on your resume, portfolio or how to approach your job hunt.

### INTERVIEW PREPARATION

We’ve got your back. We work closely with hiring managers and hiring teams, giving us valuable insight into their interview process. We’ll prep you before your interview and give you all the tools you need to land your dream job.

### COMPENSATION INSIGHT

We know our stuff. Our data is your data - we’ll advise you on market rates and compensation to make sure you get paid what you’re worth.

### UNDERSTANDING EMPLOYER’S NEEDS

We get them. Because we have a deep understanding of what our clients need, the team at Giant will make sure we’re connecting you with the right opportunity that will help advance your career and skillset.

### PROACTIVE PLACEMENTS

We don’t wait around. Even if we don’t have an open job that’s a fit, we’ll proactively seek employers and opportunities for you that are a fit with your background and career objectives.

OPEN JOBS

“Giant Recruiting team is amazing! They are great at communicating and getting results. Always available for questions and advice. I have worked with them on several freelance gigs and would highly recommend anyone thinking of using a professional recruiter to contact Giant Recruiting!!”
